Township of Leeds and the Thousand Islands Minor Baseball 2010

Though the snow has barely melted, it's time to start thinking about the 2010 Baseball Season!

This year, we're hoping to have the most successful Baseball Season yet - with early registrations, early team practices and exciting changes for the Squirt League!

The major change this year is the Squirt League joining the Inter-Community Softball Association, to offer our local kids a great league to play in challenging games, and a chance to make new friends in the area! This will mean the Squirt Team will be a travelling team, similar to the Bantam, Peewee and Junior Ladies teams, playing games in Seeley's Bay, Kingston, Napanee, Battersea and area - a very exciting chance for our local kids to improve their baseball skills! ***The schedule of games for the I.C.S.A. season will be announced in May***

As in the past, our T-Ball and Mite games will be played in Jerry Park in Lansdowne - these fun leagues will provide the same skill-building games that we've offered in the past for the kids aged 4 - 9 years. The end of year "fun day" will be an awesome Tournament Day for the kids to enjoy a full day of baseball fun! ***T-Ball will be played on Tuesday nights at 6:30 p.m., Mite on Wednesday nights at 6:30 p.m.***

The success of this upcoming season depends heavily on community involvement - through volunteer coaches, parents willing to drive kids to games, and residents coming out to cheer on local teams at games. If you are a parent, grandparent, big brother or sister that is willing to assist in coaching a team, let us know - we will hold a "Coaches' Meeting" for those interested where you will be provided an equipment bag, team list, schedule and an outline of the league rules. It's a very rewarding job to watch your kids, and neighbours kids develop and improve over the season!

Here's hoping we see some familiar faces, along with new faces this season!
