Physician Recruitment

The Township of Leeds and the Thousand Islands (TLTI) and the Town of Gananoque (The Town) have been working together along with local physicians to recruit family physicians to our area. The Councils of both TLTI and The Town have developed recruitment and retention incentives, including experimental locums, relocation allowance, signing bonuses, and more! If you are a practicing or soon-to-be-qualified family physician and would like to learn more about physician recruitment in our area, please check out TLTI's website here:
<https://www.leeds1000islands.ca/en/living/physician-recruitment.aspx>.

Dog Licenses

The Canine Control By-law requires all dogs in the Township to have dog tags, which can be purchased for \$25.00, using cash, cheque, or debit, at the Township office Monday to Friday from 9:00 a.m. to 4:30 p.m. If you would like your dog tag mailed, please submit your request to
https://www.leeds1000islands.ca/en/governing/Ask_a_Question-Report_a_Problem.aspx?_mid=128365 and send a self-addressed stamped envelope and a cheque payable to "Township of Leeds and the Thousand Islands." Tags are required to be renewed annually.

Council & Committee Calendar

Our new meeting management software called eScribe is now live! The software has replaced the original meeting management software called iCompass. eScribe offers a similar experience as iCompass in access to Council and Committee meeting agendas, minutes, reports, and more. Stay informed on upcoming Council and Committee meetings by subscribing to our Council and Committee Calendar,
<https://www.leeds1000islands.ca/en/governing/council-and-committee-calendar.aspx>. Please note that there are no meetings scheduled for the month of August, except for Committee of Adjustment.

Community Improvement Plan (CIP)

This year, the Fall Intake Deadline for CIP applications is on Friday, September 6 at 4:30 pm. The 5 (five) financial incentive programs of the CIP are: Façade Improvement, Accessibility/Code Compliance, Secondary Dwelling Unit Support, Building Conversion/Expansion & Agri-Ecotourism. Leeds 1000 Islands Fire Services

On The Water

Always wear a life jacket when on the water. Ensure all children and adults have a properly fitted life jacket for their size. In 2023, 88% of individuals who died due to a recreational boating-related incident were not wearing a life jacket. Having a life jacket onboard is not enough; it must always be worn to provide effective protection.

Cottage Identification

During a life-threatening emergency, seconds count, especially with water access-only properties. Quickly identifying your cottage from the water or along a private road is crucial for first responders. Please ensure that your 911 number (blue blade sign) is always visible from the water, either attached securely to the end of your dock or posted at the main access point for your property. On private roads, please ensure your 911 number is displayed in a visible location where your driveway meets the lane. Turn on lights to help illuminate your property and have an individual meet first responders at your access point to direct them to the incident.

Farm 911, The Emily Project

The Emily Project was initiated following a tragic farm incident in which first responders were delayed in reaching the scene due to difficulties in identifying the field where the accident occurred. First responders, municipalities, farmers, and community members are collaborating to install 911 numbers (blue blade signs) at the entrances to farm fields and rural properties. This initiative aims to assist emergency personnel in promptly reaching locations during times of need. For further information, please reach out to Amanda Werner-Mackeler at the Township of Leeds and the Thousand Islands office.

New Seeley's Bay Fire Hall - Timeline

Background

The Seeley's Bay Fire Hall, constructed through community fundraising efforts, began as a single-bay facility. Over the years, it has undergone multiple expansions. However, the evolving requirements of the Fire Department, larger trucks and an increased number of firefighters, have rendered the current infrastructure inadequate to meet operational demands.

2021

An opportunity to purchase a 5+ acre parcel of land at 3300 County Road 32 arose for the Township. After receiving approval from the Council, the Township staff was able to negotiate the acquisition of the land, which will help address the Fire Department's needs.

2022

January - The 2022 Capital Budget allocated \$400,000 towards finalizing the acquisition of land and commencing the engineering design phase for the new fire hall. This funding signifies a crucial step forward in the project's progression.
August - Following a Request For Proposal (RFP) release, IDEA Inc. was selected to provide design and construction oversight services for the new fire hall project. This partnership marks a significant milestone in ensuring the successful execution of the project, highlighting the Township's commitment to effective project management and quality outcomes.

2023

March – Council endorsed the proposed 8,202 sqft. fire hall design provided by IDEA Inc.
September – Council selected the preferred exterior design.
October – IDEA Inc. finalized the design and Tender package.
December – Council awarded the Request for Tender (RFT) to JCB Construction for the construction of the New Fire Hall in the amount of \$5,846,112 inclusive of the (Net HST).

2024

April – Construction started

The poster is decorated with autumn-themed illustrations. At the top, there are clusters of red grapes and various colorful leaves (yellow, orange, red, green). At the bottom, there are pumpkins, corn cobs, apples, and more leaves. A cartoon turkey is positioned on the right side, holding a sign that says "Gobble 'til you wobble!". The text is centered and uses a mix of fonts: a cursive script for "30th Annual", a large serif font for "TURKEY FAIR", and a bold sans-serif font for the date and location. The event details are listed in a smaller sans-serif font, separated by a decorative horizontal line with a small flourish in the center. Social media and website information are provided at the bottom left, accompanied by icons for Facebook and a globe. The logo of the Frontenac Arch Chamber of Commerce is also present at the bottom center.
