Re: Unopened road allowance between Lots 6 & 7
843 Elliott Lane, Seeley's Bay

Further to previous correspondence, please accept this letter as my application regarding the closure of the requested segment of the unopened road allowance pursuant to the policies of the Official Plan.

I confirm the following:

- a) The closure will not result in denial of access for other property owners;
- b) The road allowance is in a location which is unlikely to ever perform a useful function as part of the public road or trail system;
- c) The road allowance leading to water is incapable of contributing to environmental protection or public access purposes
- d) All abutting owners have been consulted; and
- e) The land will be conveyed as its fair market value.

Please find enclosed:

- a) Payment in the sum of \$750.00 for the application fee
- b) Payment in the sum of \$1,200.00 for the deposit for advertising fees
- c) Payment in the sum of \$7,950.00 on account of payment for the fair market value
- d) Appraisal for fair market value

Yours very truly,

Erik E. Grinbergs

Hello Marnie

I reached out to Susan Miller and her response is as follows - are there any other concerns from the Township that I should be aware of ?

Erik

Yes, nice and clear thank you.

I've reviewed it against our GIS and I do not see any concerns, as it relates to the Rideau Canal, with moving forward with the Township to close the unopened road allowance between Lots 6 and 7, bisecting your client's property.

Sincerely,

Susan Millar, BComm, MSc

Hi Susan
Not sure how legible this PDF is but the unopened road allowance is Part 2 on this Reference Plan

Hello Susan
I left you a voice mail message last week but have not heard back from you, not sure if you received it.
The Director of Planning at the Township of Leeds suggested that I contact you with regards to the closing of the above unopened road allowance
I would be grateful if you could please give me a call or email me to discuss this.
Thank you,
Erik Grinbergs
