

Recreation Working Group Meeting – Town Hall

Township of Leeds and the Thousand Islands

Township of
Leeds and the
Thousand Islands

Land Acknowledgement

With gratitude, the Township of Leeds and the Thousand Islands acknowledges these lands and waters are the traditional territory of the Algonquin, Mississaugas, Mohawk (Kanyen'keha:ka), and Huron-Wendat. To recognize the role the Township must play in Truth and Reconciliation, we also acknowledge the displacement of these Peoples.

Additionally, the Township would like to respectfully acknowledge the First Nations, Inuit and Métis Peoples who also call this place home. We make this land acknowledgement to honour the Indigenous ancestors who have stewarded these lands and waters since time immemorial.

Next Steps

- Received 3% of the Township population for feedback via surveys of those
- Reviewed surveys & realized Township is diverse;
 - Facilities, spaces & amenities
 - Ages, genders, abilities, social statuses, cultures,
 - Current sport, leisure & community groups
 - Future opportunities
 - Catchment areas
- To create a working group with a diverse cross section would be too difficult instead we chose Town Halls

Town Halls

- Each initial Town Hall will include:
 - Summary of the survey data
 - Pertinent information & updates
 - New programs & camps that are running
 - Ask questions to draw out information, ideas & feedback

- The working group will then come back to each settlement area to
 - Review the suggested projects
 - Project a cost analysis budget
 - Further questions or comments

Rates & Fees

2018 fees introduced for some groups, not all groups

2023 All groups to pay a nominal fee, but inconsistent rates

2025 Updates to fees includes

- Created consistent, straightforward rates
- Created ratio for consistency
- Created parameters around hours of operation

Reviewed local municipalities rates when updating 2025 rates

TLTI is inline or under local municipalities

Reminder TLTI Community Grant is open twice a year to create opportunity to assist costs

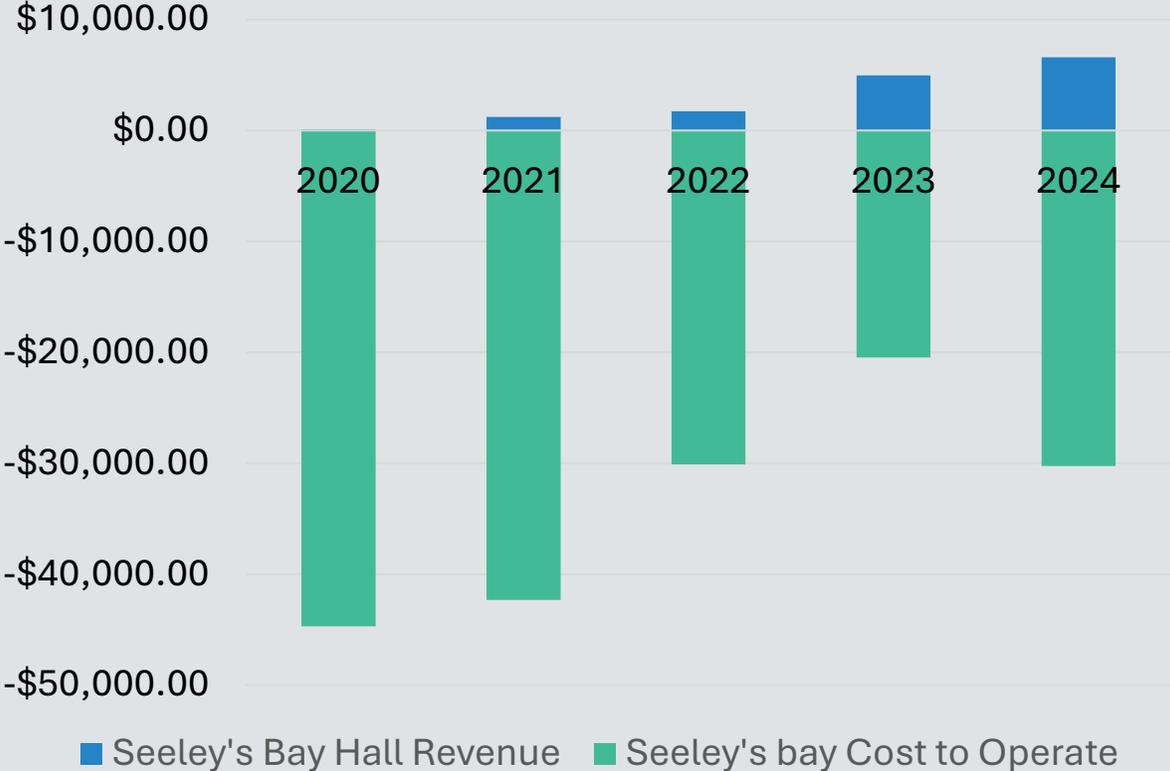

The cost of maintaining and operating buildings is expensive and the rates & fees really were equal to 2018, which is a very different world

Revenue vs Cost to Operate - Halls

Cost savings

- Volunteering is vital to grassroots programs, TLTI can assist with
 - Funding by Community Grant funding
 - Creating partnerships
 - Looking for grant/funding opportunities
 - Marketing for registrations, info, requests for volunteers
- Volunteer fatigue is real & we know we are looking to partnering with local groups, businesses, organizations & individuals
 - RNJ Youth Services (Brockville)
 - Senior Support Services (CPHC)
 - Tandem Unified Wellness
 - Girls Inc
 - Frontenac Arch Biosphere (FAB)
 - COR Martial Arts
 - TLTI Fire Department
- These formed businesses & groups have
 - Experience, education, staff & insurance
 - Often need space & resources in the areas we are looking to provide programming
