**8.6 Proposed Use(s):**

There are no proposed changes to the use of the property. The application seeks to sever a parcel from 7 Clark Drive and add it to 11-35 Clark Drive in order to separate the existing dwelling from the tourist commercial (marina) use. To facilitate this, an Official Plan Amendment is required to redesignate the proposed retained lands to Rural. In addition, a Zoning By-law Amendment is needed to rezone the retained lands from CT to a site-specific RR-x zone, which will recognize the deficient lot area and frontage of the already developed proposed retained lot.

**8.7 Existing Use on Adjacent Lands:**

North: mini warehouse and storage

South: marina

East: single detached residential

West: single detached residential

**8.8 Previous Use(s):** (indicate all previous land uses on the subject land or adjacent lands including any industrial or commercial use, or if there is suspected contamination. Note: When a property is being proposed for a more sensitive land than its current or most recent use, then a Record of Site Condition (RSC) per the Environmental Protection Act (EPA) is required prior to land use change. Please refer to Ontario Regulation 153/04 for list of uses that may require RSC.)
