Purpose and Effect of Proposed Zoning By-Law Amendment

The subject application proposes to change the zoning of the property from Shoreline Residential 'RS' zone to a Shoreline Residential Special Exception X 'RS-X' zone in Township Zoning By-Law Number 07-079. The proposed zone change would facilitate the partial conversion of an existing detached garage to a sleeping cabin which exceeds the maximum permitted floor area, and which is located within the minimum required setback from the highwater mark, the minimum front yard setback of the 'RS' zone, the minimum

required setback from a private right-of-way, and the minimum required side yard setback. It is proposed to convert 31.2 square metres of the garage to a sleeping cabin, while 18.4 square metres will continue to be used as garage/storage space. Further, the structure will include a 12.25 square metre attached uncovered deck. The property is currently developed with a single detached dwelling with attached uncovered decking, two accessory structures (storage shed & detached garage), and marine facilities (docking and covered boat slip). If the proposed zone change is approved, a site plan control agreement will be required. Of note, the rear of the subject property is located in the Township of Athens and is not subject to the Zoning By-Law Amendment.
