

# Weekly Update

**WEEK OF JANUARY 12, 2026**

## Corporate Services

- TLTI is inviting clubs, organizations, sports leagues, and businesses that offer programs or events in Culture, Leisure, Recreation and Sport in the Township to a free booth at an Expo taking place February 20, from 3 p.m. to 7 p.m. and February 21 from 9 a.m. to noon at the Seeley's Bay Community Hall, 151 Main Street, Seeley's Bay. Register [online](#) to secure your spot.
- Stay informed about facility closures, meeting/program cancellations, news, public meetings & notices and road/infrastructure notices by subscribing to [eNewsfeature](#) on our website. The information comes right to your email.
- There's lots to do in and around TLTI. Stay up to date by subscribing to our Community Events calendar page. Subscribe to the [calendar subscription page](#).
- Are you a community group or organization open to the public? We welcome you to be listed in the directory on our [Community Groups](#) website page.

### Artwork Submissions | TLTI 25<sup>th</sup> Anniversary

- We are inviting creative individuals of all ages to help mark our 25th year of amalgamation to design an Anniversary Township Flag to be featured by the Township. The submission deadline has been extended to February 13. Submit your artwork to [commsupervisor@townshireeds.on.ca](mailto:commsupervisor@townshireeds.on.ca), as a JPEG, PNG, or in paper format, 12 x 12 inch size to the Township office, 1233 Prince St., Lansdowne.

## Fire Services

### Fire Administration

- Fire Services responded to 6 emergency incidents: 2 fire alarm activations, 2 medical assistance calls, 1 electrical fire and a 30-vehicle accident on the 401 with one technical rescue.
- The multi-vehicle accident that occurred on the 401 on Thursday, January 15, 2026, was a complex and challenging situation. Thank you to the fire services staff who demonstrated their training, experience, and dedication in managing this situation.
- Fire services received the auto extrication struts purchased at the end of last year. These will be used throughout the department at accident and emergency scenes to support vehicles in accidents and help stabilize structures that may be close to collapse.

# Weekly Update
