

Township of  
**Leeds** and the  
Thousand Islands

## **Agency Approvals for Sewage Systems**

In addition to the Township, other agency approvals may be required prior to the issuance of a building permit for a sewage system.

### **Cataraqui Region Conservation Authority**

Approval from the Cataraqui Region Conservation Authority (CRCA) may be required if the existing or proposed sewage system is within 50 metres of a watercourse or waterbody, 50 metres of a Locally Significant Wetland (LSW) or Area of Natural and Scientific Interest (ANSI), 120 metres to a Provincially Significant Wetland (PSW) and within 200 metres of a Species of Risk (SR) area. All applications are forwarded to the CRCA for review as there are other factors that may affect their office's approval.

### **St. Lawrence Parks Commission**

If the property is adjacent to, or within the controlled area, of the 1000 Islands Parkway, approval or permits from the St Lawrence Parks Commission may be required. Please contact their office for further information. All applications are forwarded to the St Lawrence Parks Commission for review as there are other factors that may affect their office's approval.

### **Ministry of Transportation - Eastern Region**

If your property is adjacent to or within the controlled area of a Provincial Highway approval from their office is required. Please contact their office for further information. All applications are forwarded to the Ministry of Transportation for review as there are other factors that may affect their office's approval.
